What Prequalification Is (and Isn't)

- Prequalification is an early, informal estimate based on self-reported financial information. It is not a final loan approval, a commitment to lend, or a guarantee of any specific rate, term, or loan amount.
- A full application, credit check, and underwriting review with ClearPath Financial are required before any mortgage loan can be approved.

Eligibility is based on ClearPath's standard credit criteria and is available to all qualified U.S. applicants without regard to race, color, religion, national origin, sex, marital status, age, or receipt of public assistance income.

ClearPath Financial is a direct lender. We are not affiliated with, endorsed by, or acting on behalf of any government agency or your current mortgage servicer. Final loan terms are subject to underwriting approval and may vary based on your creditworthiness, loan amount, and other factors.

Partner Realty Co. is a licensed real estate brokerage and is not a mortgage lender.
